CHARLES BORSTEL
COMMISSIONER, DIVISION OF
PROFESSIONAL LICENSURE

Dear Manufacturers and Manufacturers Representatives:

Just a reminder the Board has eliminated the expiration date for all listed products.

In an effort to provide the general public with the most accurate product listing, please review you're listed products regularly.

https://licensing.reg.state.ma.us/pubLic/pl_products/pb_pre_form.asp

Note:

Modification to your listing must be submitted to the board using the link to the modification form.

<https://www.mass.gov/doc/product-modification-application/download>

You may be able to use the Modification Form:

Use the modification form for model number and/or model name changes of currently listed product. The modification form can also be used for cosmetic changes such as, the color, decorative trim and decorative hardware, only.

Do not use the modification form: for product changes made to any specific characteristics of the plumbing and/or gas design components such as valves, methods of connection, components, combustion design, safety devices etc.

Please note using the modification form to change model number and/ or model name changes will required additional test data reflecting the change and if requested, installation and/or specification sheets.
